

Helping leaders build careers and lives... that last!

Chris Ducker is a keynote speaker, leadership strategist, serial entrepreneur, and bestselling author with over 20 years of experience building and advising high performance teams and organisations.

He helps leaders across all industries, from entrepreneurs and executives to senior leadership teams and middle management, to achieve meaningful, long-term results without burnout, chaos, or short-term thinking.

As the author of three bestselling books, namely *The Long-Haul Leader*, *Rise of the Youpreneur*, and *Virtual Freedom*, Chris is known for his straight-talking, yet inspiring style. He has founded and scaled multiple seven-figure businesses and mentored thousands of leaders worldwide.

Best known for his Long-Haul Leader philosophy: a practical, human-first approach to leadership, performance, and sustainability in today's demanding world of work, Chris' leadership insights have been featured in Forbes, Inc. Magazine, the BBC, Entrepreneur, syndicated on CBS, and SUCCESS Magazine.

What Audiences Experience

Chris' sessions are equal parts clarity, challenge, and calm authority. Audiences leave with:

- Clear direction and decision-making confidence.
- Practical frameworks they can apply immediately.
- Greater focus, energy and leadership presence.
- A long-term mindset for sustainable performance.

This is not hype or motivation for motivation's sake. It's grounded leadership thinking for people who want to perform at a high level, for the long-haul.

Signature Talks

The Long-Haul Leader: **How to Go the Distance at Work and in Life**

Available in 45 minute and 60 minute sessions

A flagship keynote for leaders navigating constant pressure, complexity and change. Delivered with high-energy and an empathetic style. Audiences will learn how to:

- Break out of the burnout and “always on” cycle.
- Lead with clarity instead of intensity.
- Build sustainable momentum at work and in life.
- Make decisions that align performance with wellbeing.

Clarity Over Chaos: **Finding your ‘True North’ in a Noisy, Demanding World**

Available in 45 minute and 60 minute sessions

A highly relevant keynote for organisations undergoing change or growth, particularly where leaders are experiencing prolonged strain. Audiences will learn how to:

- Identify what truly matters and let go of the rest.
- Cut through distraction and decision overload.
- Move from reactive leadership to intentional leadership.
- Align professional responsibilities with personal values.

Consistency Beats Intensity: **Why Sustainable Leadership Outperforms ‘Hustle’**

Available in 45 minute and 60 minute sessions

A no-nonsense session concentrating on sharpening focus, managing energy, and building new habits for long-term performance. Audiences will learn how to:

- Create rhythms that support focus and recovery.
- Protect energy as a leadership asset.
- Design their week instead of surviving it.
- Build systems that make consistent progress inevitable.

Why Organisations Book Chris

Organisations book Chris when they want more than inspiration. His keynotes deliver clarity, credibility and practical leadership tools that leaders can apply immediately - without hype, burnout culture, or short-term thinking.

Chris combines:

- **Real-world leadership experience** across multiple organisations and industries.
- **Clear, memorable frameworks** leaders actually use.
- **Authentic storytelling** that resonates without ego, or hype.
- **A calm, credible stage presence** that holds both executive and mixed audiences.

He is as effective in a large conference keynote as he is in more intimate leadership offsites and executive sessions.
